The Shelton State Community College Foundation is a private, nonprofit corporation established in 1984. The Foundation is separate from the college, but it is designed to provide support for the college. In 1995, C.A. Fredd State Foundation was merged with the Shelton Foundation.

The Board of Directors is comprised of community leaders from the West Alabama area. There are also four elected representatives from the faculty and staff. A representative from the Shelton Alumni Association also serves as an active board member. Serving in an ex-officio capacity are the president, and the deans.

Since 1984, the Foundation has worked to support the college. From, 1985-1988, the Foundation led the college in its first major fund-raising effort. In 1990, the Foundation began to concentrate its fund-raising efforts on providing scholarships to deserving students. All proceeds from Bar-B-Que Bash 2004 will fund student scholarships.

Please Note: Additional contributions may be received but not listed due to arrival time. These will be identified during the activities of the evening.
